

Charge CrossFit Terms and Conditions

Our membership terms and conditions have been established to ensure our members are aware of their rights and responsibilities as a member of our facility. On acceptance by Charge CrossFit of this agreement you will be referred to as the “member” and have the usage rights and obligations as detailed below.

1. MEMBERSHIP ACCESS

Membership commences on the date stated on the Ezidebit direct debit agreement form. Membership allows unlimited access to Charge CrossFit’s CrossFit classes and Barbell sessions during operating hours. Membership is personal to the “member” and the membership cannot be assigned or transferred to another person unless authorised by Charge CrossFit.

2. MEMBERSHIP TERMS

The member will choose one of the membership contracts offered by Charge CrossFit. Currently, there are four options, being month to month, 3 month, 6 month and 12 month membership. Different rates apply for each membership option. The member agrees to pay to Charge CrossFit the fees applicable to the membership selected. The minimum charge will be the period of the contract chosen and this will be indicated on the direct debit payment form completed by the member in respect of their membership. Payment cycles are monthly. Pre-payment for the term is also available. Fees and prices are disclosed on our fees schedule provided/attached separately. Your membership contract will automatically renew to the same type of contract at the end of the period unless notified otherwise.

3. COOLING OFF

For contract terms of 3 months or more there is a cooling off period of seven (7) days. Unless you advise us of your intention to terminate the contract prior to 5pm of the seventh day of the term, your contract and all rights and obligations therein will continue.

4. DIRECT DEBIT PAYMENT

Charge CrossFit uses an external company to manage the direct debit payment system. Payments to Charge CrossFit via direct debit must comply with the Ezidebit terms and conditions. Please check all direct debit documentation before signing.

5. MEMBERSHIP CANCELLATION

Charge CrossFit reserves the right to cancel this membership agreement at its discretion. The member may cancel their membership by giving Charge CrossFit management a minimum of 30 days notice in writing prior to the affected member's payment date after conclusion of their term period. A member may only terminate before the fixed term due to medical reasons such as serious illness, physical disability or other extenuating circumstances as deemed sufficient by Charge CrossFit management, this includes pre paid memberships. Documentation may be required to support these claims.

6. MEMBERSHIP SUSPENSION

A member may suspend their membership a maximum of twice per calendar year of their membership. A minimum of 14 days' written notice prior to the affected payment must be given and all suspensions must be a minimum of 14 days. A fee of \$5 per week is charged for all suspensions. A date of recommencement of membership must be given for a member's membership to be placed on hold. The member's usual payments will be re-activated after their suspension period has been completed. Please note, membership cancellation or suspension will not be authorised if membership payments are outstanding.

7. MEMBERS' RESPONSIBILITIES

The member will ensure they complete a Charge CrossFit waiver form to hand to the coach on duty (or online) before commencing their first session. The member agrees to provide an accurate health and fitness profile prior and during engagement in an exercise program with Charge CrossFit. The member is aware that photography may occur during sessions and gives permission for this to be used for marketing purposes that may include but not be limited to, flyers, newsletters and the company website.

8. USE OF WODIFY

As a member of Charge CrossFit you have access to our Wodify athlete platform. Through this you must book into classes prior to attending and check in when you arrive at Charge CrossFit for that class using our check in counter or through your mobile device. You are not permitted to attend a class without booking in for that class. Charge CrossFit requires bookings to ensure the session and your progress can be planned effectively.

9. CANCELLATION OF PERSONAL TRAINING AND DROP IN SESSIONS

Cancellations of personal training sessions, drop in sessions and any other bookings made where payment must be made in advance must be made 24 hours before the session start time. You will be charged the full amount of the session if you cancel within 24 hours.
